The Saddle Chair

The Saddle Chair seat is formed and hand-stitched by traditional horse saddle makers in North India using heavy-weight, saddle-grade, full-grain leather. They are available in a traditional saddle brown. Custom leather colors are available with orders of 40 units or more. The legs are solid midwestern hardwood, hand-crafted at our Chicago studio. They are available in espresso brown or a natural oiled Hickory.

These chairs are well suited for: residential, hotel lobby and suites, waiting rooms, offices, and restaurant applications.

19" x 19" x 35" height.
